

## **EVIDENCE-BASED PRACTICE:**

---

### **A UNIVERSITY/AGENCY PARTNERSHIP FOR CALIFORNIA**

FEBRUARY 22, 2006

#### **Interactive Session #1 | Questions & Instructions**

---

#### **Facilitator Questions:**

---

1. What are the benefits of doing research in Child Welfare?
  - ▶ For Researchers?
  - ▶ For Agency Administrators?
  - ▶ For Practitioners?
  - ▶ For Recipients of Services (parents, children, youth)?
2. Provide examples of when research, data, or other evidence has informed practice
3. What are the benefits of coordinating research efforts as a state? What are the barriers to establishing a viable research agenda for child welfare research?
4. What are the research priorities for our Region?
5. How will we divide ourselves up in order to make sure that we have Regional representation in the afternoon discussion sessions?
