

**2005 LEADERSHIP SYMPOSIUM ON
EVIDENCE-BASED PRACTICE IN THE HUMAN SERVICES**
BUILDING EVIDENCE AND IMPROVING PRACTICE
July 14th, 2005

Lunchtime questions

Questions that may be used by the regional facilitator for discussion:

- ▶ What have you learned that is new about Evidence Based Practice, in terms of what it is and what it isn't?
- ▶ What are the differences between the cultures of the practice community, the policy community and the research/academic community? How can these be addressed in your county or region?
- ▶ What are the implications for counties to move forward with a research/practice collaborative based on the principles of EBP? What are the potential barriers to implementation? How can these be addressed in your county or region?

Questions to report out on:

- ▶ What are the next steps that your region could take to move toward EBP and greater research/practice collaboration?
- ▶ What next steps could CalSWEC, CFPIC, CDSS and other statewide entities take to move toward EBP and greater research/policy/practice collaboration statewide?
