"Knowing Who You Are –
Helping Youth in Care Develop Their Racial & Ethnic Identity"
Video Discussion Questions

1) What are your overall impressions of the ideas or concepts brought up in the video regarding racial and ethnic identity?

2) What are the top two or three points highlighted by the film that you believe should be addressed by Social Workers and others when working with youth and families in the child welfare system?

3) Does the film raise any concerns for you about working or interacting with others around issues of racial and ethnic identity ? If so, please describe them.

4) How could Social Workers integrate racial and ethnic identity work into day-to-day practice with youth and families?
