EDUCATION

2002	Ph.D., Social Welfare	Case Western Reserve University, Cleveland, OH
1981	M.S.W., Social Work	California State University, Sacramento, Sacramento, CA
1974	B.A., Social Sciences	California State University, Sacramento, Sacramento, CA

HIGHLIGHTS OF ADMINISTRATIVE/LEADERSHIP POSITIONS

Executive Director, California Social Work Education Center (CalSWEC), charged with developing and implementing short- and long-range plans in accordance with the Strategic Plan developed by CalSWEC and its partners. Provides overall leadership and vision in overseeing the management of CalSWEC and works to develop a sustainable funding model for its core mission and initiatives in child welfare, integrated behavioral health, and aging. CalSWEC, the nation's largest state coalition of social work educators and practitioners, is supported by a 30-member staff and an annual operating budget of \$57 million in grants and contracts.

Chair/Program Director, Department of Social Work Education at Fresno State, successfully leading 62 Social Work and Gerontology Department faculty members and 3 staff members. Oversight of an overall, multi-year budget of \$14.9 million, including annual campus allocations and an extensive portfolio of external grants and contracts.

Director, Central California Social Welfare Evaluation, Research, and Training Center (SWERT), overseeing various grants and contracts totaling \$10.1 million.

Board Member and immediate Past Chair, American Council on Education Women's Network™, Northern California.

HIGHLIGHTS OF ACADEMIC LEADERSHIP

Professor, Department of Social Work Education, teaching graduate-level research, human behavior and social environment, social welfare policy, and community practice courses; chaired 28 Master's theses and projects.

Lead Faculty Researcher for the SWERT and Central California Children's Institute, directing and engaging in grant writing, transdisciplinary research, program evaluation, data analyses, report writing, and presentations.

Principal Investigator and Co-Principal Investigator of 26 projects in a teaching institution. Relevant work includes two workforce development grants in the fields of child welfare and Latino behavioral health funded by the California Social Work Education Center, University California, Berkeley, and the Department of Health and Human Services, Health Resources Services Administration totaling \$3.4 million annually.

Member, Search Committees for 11 faculty and administrative positions, including Provost and Vice President for Academic Affairs, University Outreach Services Director, and Dean, College of Health and Human Services.

Equal Employment Opportunity Designee for faculty and administrative searches.

Program Representative, Central California Social Services Consortium and Bay Area Social Services Consortium.

Senior Faculty and Certified Facilitator-Consultant for *The Daring Way*[™], a national certification program in *The Daring Way*[™] and *Rising Strong*[™], two psychoeducational curricula for use with individuals, couples, families, groups, organizations, and leaders developed by researcher and best-selling author Dr. Brené Brown.

Served on more than 70 institutional committees, including University Personnel, Institutional Review Board and Advisory Board of the Division of Continuing and Global Education, in addition to numerous College and Department committees.

Led Department through two reaccreditation self-studies for the Council of Social Work Education.

Published 32 peer-refereed articles, book chapters, and research publications during tenure at Fresno State.

Presented over 100 projects during professional and invited presentations.

LICENSES/CERTIFICATES

2016	Accredited Licensee, Hay Group's Emotional and Social Competency Inventory and Competency Portfolios, Philadelphia, Pennsylvania
2014	Executive Leadership Academy, Center for Studies in Higher Education, University of California, Berkeley
2012	Certified <i>Daring Way</i> [™] Facilitator-Consultant and Senior Faculty Member
2009	Site Visitor, Commission on Accreditation, Council on Social Work Education
2008	HERS Bryn Mawr Summer Leadership Institute
2006	Licensed Clinical Social Worker, California Board of Behavioral Sciences, LCS 23453
1989	Academy of Certified Social Workers, National Association of Social Workers

EXPERIENCE

UNIVERSITY OF CALIFORNIA, BERKELEY, CALIFORNIA SOCIAL WORK EDUCATION CENTER (CalSWEC) (2016–Present)

Executive Director

- Charged with the primary responsibilities relating to the leadership and organizational management of CalSWEC.
- Heads the CalSWEC Executive Team and has supervisory responsibilities for three Program Directors, the Administrative Director, the Director of Research and Evaluation, and the Director of Technology and Instructional Design.
- Confers with the Administrative Director to oversee a complex budget consisting of contracts/grants, revenue, and gift funds.
- Facilitates efforts to bring extramural research and program support to CalSWEC.
- Serves as the Principal Investigator of CalSWEC and oversees the approval process for research and other grants, working with central campus units as necessary.
- Serves as the key contact for the CalSWEC Board of Directors; local, state, and federal agencies; funders, sponsors, and donors; and outside entities interested in the work of CalSWEC.
- Provides a strong voice for the organization and its interests at the local, regional, state, and national levels.
- Works to strengthen existing partnerships and build new relationships with other groups and organizations to advance and support the mission and sustainability of CalSWEC.
- Reports directly to the Dean of Berkeley Social Welfare.

CALIFORNIA STATE UNIVERSITY, FRESNO (2002-16)

Department of Social Work Education

Chair/Program Director (2012-16)

- Lead Department in curriculum planning, assessment and managing course enrollment.
- Oversee hiring, performance evaluation, and professional development of faculty and staff.
- Implement and offer input into faculty search and retention, tenure, and promotion issues.
- Manage departmental resources including annual budget allocation of \$1.4 million, facilities and space, course schedules, and assigning faculty to classes.
- Serve as Director of the Central California Social Welfare Evaluation, Research and Training Center (SWERT); oversee \$10.1 million in grants and contracts.
- Serve as Principal Investigator for the department's Title IV-E Child Welfare and SERVE Project with a budget totaling \$2.8 million.

- Serve as Co-Principal Investigator for the Department's Consejo: A Latino Behavioral Health Practice Project for Central California with a budget totaling \$606,000.
- Stay current with California State University, Fresno Foundation and Office of Research Sponsored Programs policies and procedures for grant and contract development processes.
- Address student complaints and personnel issues.
- Engage in College development activities designed to attract external resources to and support for the Department's mission.
- Participate in traditional faculty activities (i.e., teaching, scholarship, grant writing, and service).
- Established biennial Social Work Legacy Dinner event that reunites alumni with current and emeriti faculty, students, and alumni.

Full Professor (2010–2012)

- Served as Lead Faculty Researcher and Program Evaluator for the SWERT. Administrative responsibilities included project implementation, supervision of student assistants and interns, oversight of funded deliverables, strategic planning, and grant development activities with community partners.
- Served as Principal Investigator for the Serving Co-Occurring Populations Effectively (SCOPE) program evaluation for the Superior Court, Fresno County. Supervised data collection, data analysis, report development activities, and general project operations.
- Led development of an interdisciplinary grant proposal to the National Institute of Drug Abuse to increase clinical and research capacity of graduate students in the area of substance use disorders. Worked closely with community-based advisory committee of representatives from behavioral health sector.
- Secured two Extramural Associates Research Development Awards to fund federal grant proposal activity and two-day research methodology workshop in the field of substance use disorders.
- Conducted teaching and advising responsibilities for graduate and undergraduate social work programs. Primary teaching content included social work research, social welfare policy, human behavior and the social environment, community practice, field education, and master's project/thesis courses.
- Served on numerous university, college and department committees, including University Personnel, Global and Continuing Education Advisory Board, College's executive and Centennial Celebration committees, and various Department program, curriculum, governance, and conference planning committees.
- Served as faculty advisor to Trabajadores de la Raza student organization.

Associate Professor (2006–2010)

- Lead Faculty Researcher and Program Evaluator for the SWERT. Responsibilities included project implementation, data analysis, report writing, supervision of staff and student assistants and interns, oversight of funded deliverables, website development, and grant development.

- Conducted community-based policy research and program evaluation in areas of substance abuse, mental health, child welfare, and social service delivery. Principal investigator for Methamphetamine Recovery Project for California Partnership for the San Joaquin Valley. Worked closely with community-based advisory committee that proposed legislative, policy, and action recommendations.
- Led Department of Social Work Education Program through process of self-study and successful reaccreditation by Council of Social Work Education.
- Concurrently managed teaching and advising responsibilities in undergraduate and graduate social work programs. Primary teaching responsibilities were in areas of social work research, human behavior and the social environment, social welfare policy, field education, and master's project/thesis courses.
- Served in Academic Senate and on numerous committees, including the University Institutional Review Board, the College's executive, research, and strategic planning committees, as well as Department program, curriculum, governance, and personnel committees.
- Served as faculty advisor to Trabajadores de La Raza student organization.

Assistant Professor (2002–2006)

- Served as Associate Director of the Central California Children's Institute. Responsibilities included project implementation, research design, data analysis, report writing, supervision of staff, student assistants and interns, production of funded deliverables, strategic planning, website development, grant development, and consultation with advisory board members.
- Conducted funded policy research and regional forums on child health and well-being, childhood asthma, childhood obesity, teen pregnancy, and childhood hunger in San Joaquin Valley.
- Concurrently managed teaching and advising responsibilities in undergraduate and graduate social work programs. Primary teaching responsibilities were in areas of social work research, social welfare policy, human behavior and the social environment, social work practice, and master's project/thesis courses.
- Participated in the development of Fresno Unified School District's McLane High School Collaborative and conducted survey research for the Enrollment Task Force, both of which addressed student achievement and attendance.
- Served in Academic Senate and on University committees related to faculty salaries, civic engagement and professional development, College elections, strategic planning and curriculum committees, as well as various Department program and curriculum committees.

TEXAS STATE UNIVERSITY, SAN MARCOS (1995–2002)

Department of Social Work

Lecturer

- Conducted teaching and advising responsibilities for graduate and undergraduate social work programs. Primary teaching responsibilities were in the areas of social

work research, human behavior and the social environment, social work practice, and field education.

- Assisted in implementing the first social work master's level distance education program for rural Southeast Texas.
- Served as faculty researcher for the Richter Institute of Social Work Research conducting statewide program evaluations for the Texas Department of Health in areas of developmental disabilities, genetics services, and fetal alcohol syndrome.
- Developed and piloted a research-based curriculum entitled "*Fetal Alcohol Syndrome: Real World Consequences*," designed for health and human service practitioners and foster parents.
- Acknowledged for field-based research activities by appointment to the Executive Committee of the Texas Office for Prevention of Developmental Disabilities by Lt. Governor Bill Ratliff.

JUDSON INDEPENDENT SCHOOL DISTRICT, San Antonio, TX (1992–1995)

School Social Worker

- Member of administrative team at Title I campus serving a highly diverse student population in Northeast San Antonio, many of whom were at-risk for academic failure.
- Provided assessment and counseling services to students and families in regular and special education classrooms and crisis intervention services related to campus violence, deaths of students, and other critical incidents that occurred on campus or in the district.
- Successfully implemented a campus outreach program that engaged parents from diverse backgrounds in family education activities, including Café de Mañana, an innovative community education and parent participation program for Spanish-speaking parents.
- Implemented model field placement program for undergraduate and graduate social work students from neighboring universities.

CHILDREN'S TRANSPLANT ASSOCIATION, San Antonio, TX (1989–1992)

Executive Director

- Supervised administrative staff and volunteers, fiscal management of patient funds, strategic planning, budgetary oversight, grant development, and public relations.
- Provided case management, crisis intervention, and fundraising support for families with chronically and acutely ill children in need of organ or tissue transplant.

SAN JOSE MEDICAL CENTER, San Jose, California (1986–1988)

Medical Social Worker

- Provided crisis intervention, counseling, and discharge planning services to adult and pediatric patients and their families situated in emergency room, critical care, and medical/surgical units.
- Developed and directed the Trauma Volunteer Program, a companionship program for families whose loved ones suffered critical injuries or sudden death.

GOVERNOR'S ADVISORY COMMITTEE, CHILD DEVELOPMENT PROGRAM, Sacramento, California (1980–1981)

Research Assistant

- Conducted policy research and analysis of child development, childcare, and preschool education programs.
- Organized public hearings on status of bilingual education with legislative representatives in Northern and Southern California.
- Published research reports on developmental needs of young bilingual children and services for young children of migrant farmworkers.

NORTH BAY REGIONAL CENTER, Napa, California (1975–1978)

Counselor

- Provided counseling and case management services for developmentally disabled adults, children, and their families.
- Specialized in transitional living services for young adults with developmental disabilities who sought to live independently in community.

SOLANO COUNTY HEAD START PROGRAM, Fairfield, California (1974–1975)

Program Director

- Directed programmatic, budgetary and personnel operations for five child development centers in cities of Vallejo, Benicia, Fairfield, Vacaville, and Dixon.
- Supervision of administrative, support, and teaching personnel, budgetary management, and enforcement of program standards in areas of preschool education, parent participation, and health services.

SCHOLARLY ACTIVITIES¹

RESEARCH/EVALUATION/GRANT ACTIVITY

Principal Investigator, *California Social Work Education Center (CalSWEC)*, School of Social Welfare, University of California, Berkeley, 2016–present.

¹ Summary of grant activities, publications and presentations other than those listed is available upon request.

Principal Investigator, *Western Region Transdisciplinary Collaborative Center (TCC): Strengthening Chronic Disease Prevention in Communities through Translational Research*, National Institute of Health, Office of Minority Health and Health Disparities, 2016-2021. Under Review.

Principal Investigator, *Central California Training Academy & Bay Area Academy Master Contracts*, California Department of Social Sciences, 2015-2018.

Co-Principal Investigator, *Consejo: A Latino Behavioral Health Practice Project for Central California*, U.S. Department of Health & Human Services, Health Resources Services Administration, 2014-2017.

Principal Investigator, *Evaluation Research on The Daring Way™: A Psychosocial Shame-Resilience Curriculum*, The Daring Way™, LLC, 2013-2014.

Principal Investigator, *SERVE: Indigenous Community Social Workers for Change*, California Social Work Education Center (CalSWEC), University of Berkeley, 2014-Present.

Principal Investigator, Mental Health Stipend Program, California Social Work Education Center (CalSWEC), University of Berkeley, August 2012-2014.

Principal Investigator, *Title IV-E Child Welfare Training Program*, California Social Work Education Center (CalSWEC), University of Berkeley, 2012-Present.

Principal Investigator, *Training Researchers/Educators in Prevention and Treatment*, National Institute of Drug Abuse Grant Proposal, 2012.

Principal Investigator, *Evaluation of Fresno County Drug Court Enhanced SCOPE Project Services, Coordination and Treatment*, 2010-2012.

Principal Investigator, *Fielding a Psychoeducational Shame Resilience Curriculum to Women in Substance Abuse Treatment*, Sabbatical Research, 2009-2010.

Co-Principal Investigator, *Cultural Brokers in the Child Welfare System Curriculum Development Grant*, California Social Work Education Center (CalSWEC), UC Berkeley, 2008-2010.

Principal Investigator/Lead Evaluator, *Methamphetamine Recovery Project*, Central California Social Welfare, Evaluation, Research and Training Center, California State University, Fresno, 2007-2008.

Principal Investigator/Lead Evaluator, *Children's Mental Health Transition Evaluation for the Fresno County Department of Children and Family Services*, Central California Social Welfare Evaluation, Research and Training Center, California State University, Fresno, 2006- 2007.

Faculty Evaluator, *The Wraparound Fidelity Index Evaluation Project for Families First*, Fresno, Central California Social Welfare Evaluation, Research and Training Center, California State University, Fresno, 2006-2007.

Faculty Evaluator, *Claims Integrity Unit Program Evaluation Project*, Central California Social Welfare Evaluation, Research and Training Center, California State University, Fresno, 2006.

Principal Investigator, *Struggling to Breathe: The Epidemic of Asthma Among Children in the Central California San Joaquin Valley*, Central California Children's Institute, California State University, Fresno, 2003-2004.

Principal Investigator, *Teen Births: Analysis of San Joaquin Valley Communities*, Central California Children's Institute, California State University, Fresno, 2003-2004.

Co-Investigator, *Childhood Obesity and Physical Inactivity Among Children in the Central California San Joaquin Valley*, Central California Children's Institute, California State University, Fresno, August 2003 -October 2004.

Co-Investigator, *Hunger and Food Insecurity in San Joaquin Valley Immigrant Families with Children: A Policy Brief*, Central California Children's Institute, California State University, Fresno, 2003-2004.

Co-Investigator, *Children in Jeopardy: A Sourcebook for Community Action*, Central California Children's Institute, California State University, Fresno, 2003-2004.

Faculty Research Consultant, *Children Count 2002! Report Card: The Well-Being of Children in Fresno County*, Children's Institute, California State University, Fresno, 2002-2003.
