Discussion	
Major Points	<ul style="list-style-type: none"> • Impact of COVID 19 on SW Education, Field Internships, Agencies and employment around the state. Schools trying to get to the end of the spring semester, supporting students in any way they can, and supporting them in job searching as they graduate • Discussion on agencies prepared or not prepared for telehealth during the pandemic- how that affects students and new graduates. There will be a high need for practitioners as we move forward in this pandemic and post-pandemic world • BBS Processes – Agencies want to partner with Schools to help graduates get registered as quickly as possible – impacts their ability to bill Medi-Cal • Anticipated challenges for PCW during the pandemic are release time for supervision and recruitment of employees and student interns.
