

Efforts to Outcomes

Current use and development of programs to support
Recruitment & Retention of Resource Families and Child &
Family Teaming

Background

- Web-based software by Social Solutions
- CFPIC Enterprise- 2006
 - Critical data not otherwise collected in CWS/CMS
 - 4 programs: Independent Living, Team Decision Making, Recruitment & Retention, California Partners for Permanency

Collaboration between CFPIC,
CalSWEC, CWDA, CDSS and
participating Counties

Clear Selection

Resource Families

* Feedback Loop

- Duration since last contact
- Training attendance/completion
- Benchmark progress & timeline
- Time clock calculations/mailling labels
- Recruitment source (specific child vs. recruitment effort)
- Preferred role
- Child youth characteristics
- Regional & school district stratification
- Exit: When, Where, Why

Recruitment Sources

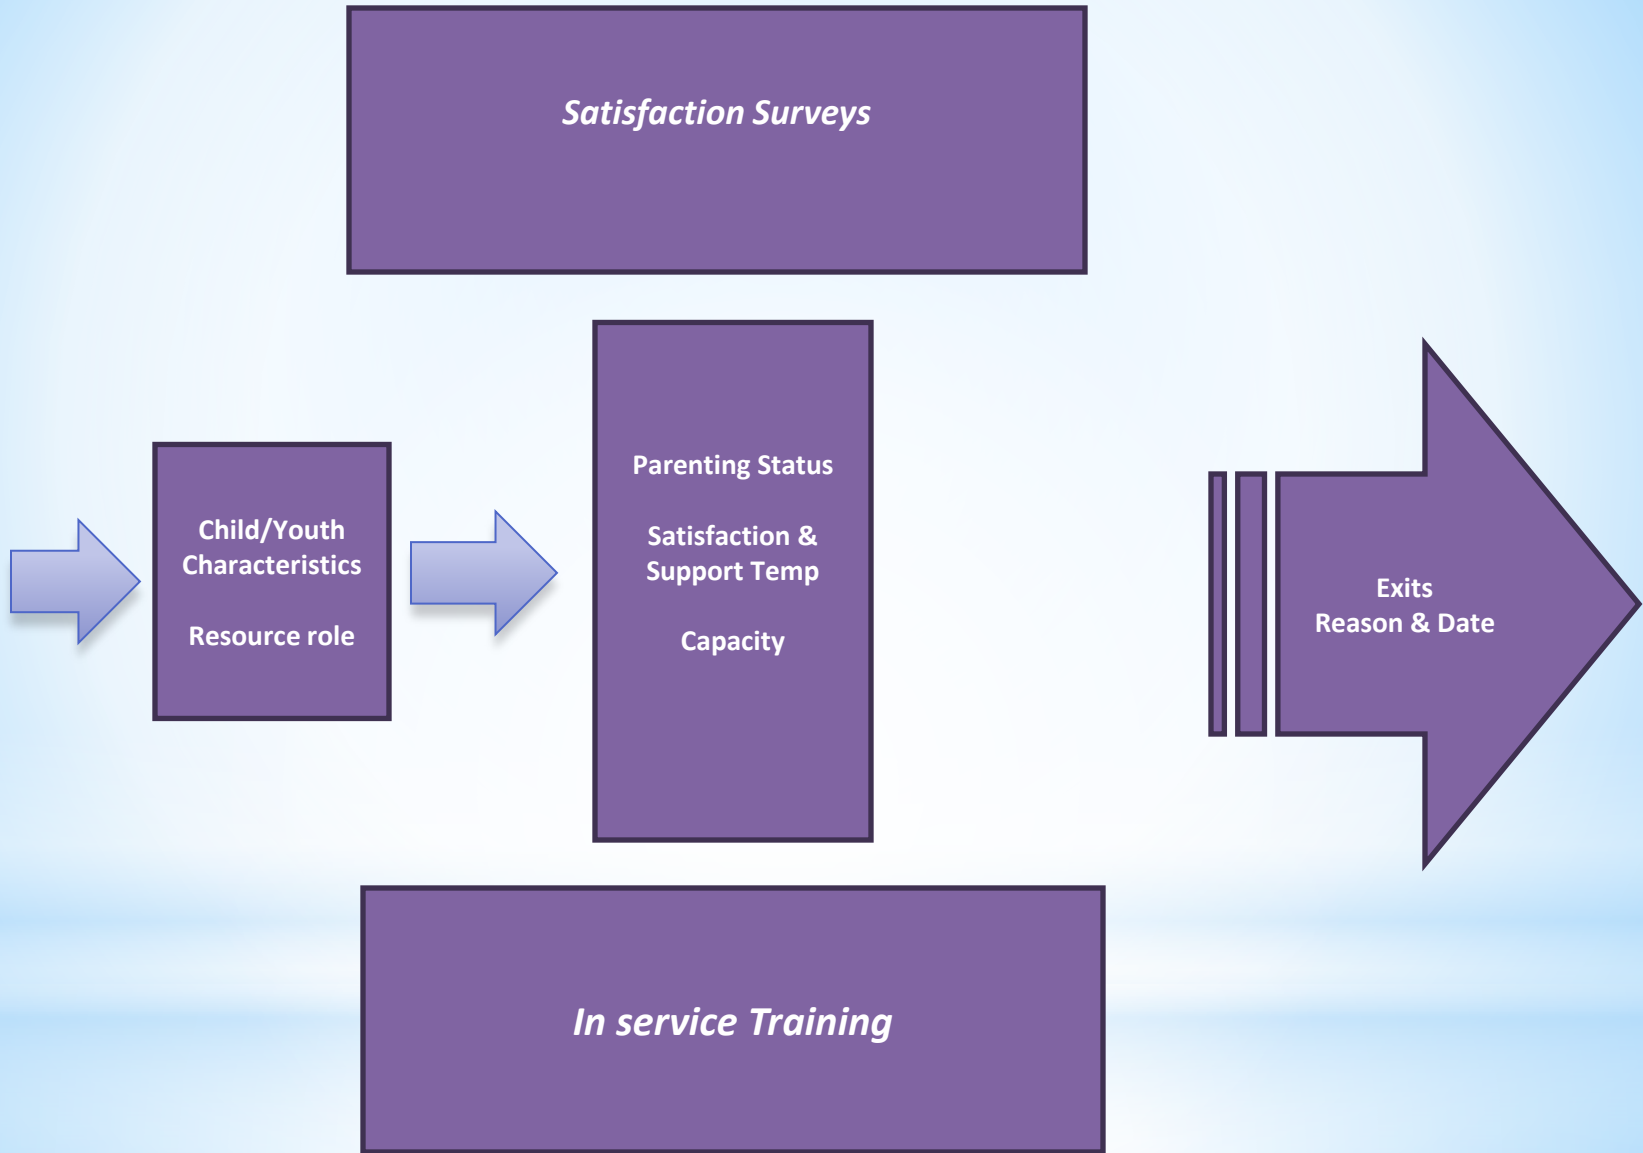

Average Days to Licensure: 246.44 days

Licensure Status at Exit

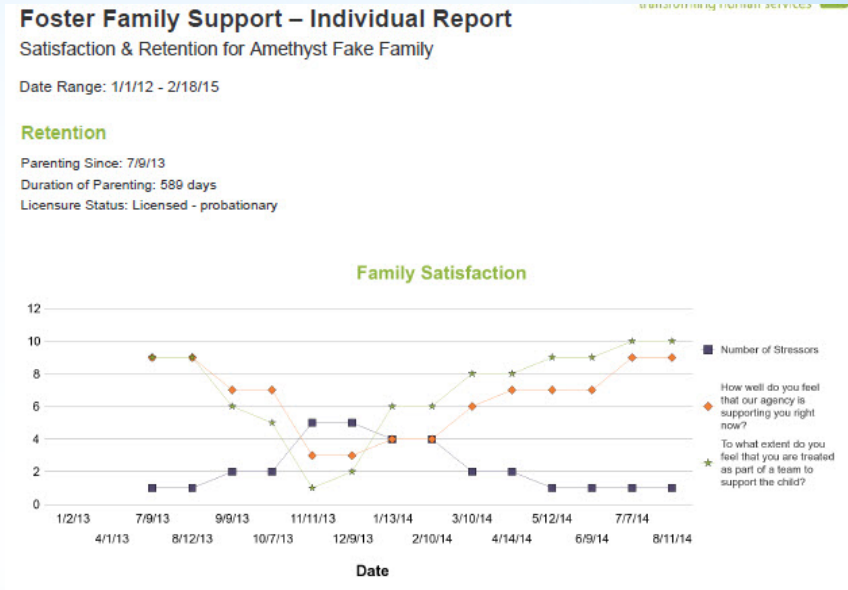

Licensure Status at Exit	Head of Household	Family Name
Background/fingerprints submitted	Fake, Cailin	Cailin Fake Family
	Fake, Geoffrey	Geoffrey Fake Family

Licensed/Approved

*Feedback Loop

- Capacity
- Training attendance/hours
- Annual review tickler
- Family stressors over time
- Child/youth characteristics
- Regional & school district stratification
- Exit: When, Where, Why

Next Steps for Interested Counties

- Contact Tara Lain to schedule a county demonstration
 - Sign a sub-license agreement
 - Pay site license fee: \$1200 annually and any additional user account fees
 - Tara will develop an implementation timeline
 - Meetings to identify county specific modifications, identify responsible parties for seeding the programs & training
